### SUBIECT MODEL

#### I. Read the text below:

George was a giant tortoise. He belonged to a lovely owner called Oliver, who looked after him very well. He was quite a rare type of tortoise and that made him very special.

Some people said George was spoiled but he didn't ask for much really. All he liked to eat was grass and hay, with a few dandelions now and then, or the occasional lettuce. He did have his own place, that Grandpa Jack had made when he was alive, which even had its own heating! Most of the time, George lived in his house, but he loved to walk lazily around the garden sometimes when Oliver was playing in the garden.
