

Lifelong Learning Programme GRUNDTVIG Multilateral project

“INTEGRA- Migrants' Integrating Kit - Basic Language for Dealing With Financial Matters”

510258-LLP-1-2010-1-LTGRUNDTVIG-GMP

Newsletter - April 2011

Welcome to the project

Welcome to the second edition of the INTEGRA newsletter, this will be a regular part of the project that will summarize the activities and progress of the project.

About the project

AIM - To work together with migrant communities and financial institutes to create a Europe wide network of relevant institutes in order to reach migrants in partner countries to improve their integration into local society by providing them with opportunities to gain language skills on basic financial matters.

Progress and milestones

The INTEGRA project is still in its opening stages; we are currently working on Work package 2.

Until now in the project:

- Attracting social partners, establishing working relationship for the implementation of the project activities;
- Developing two different types of questionnaires for migrant need analysis;
- Performing need analysis using developed questionnaires;
- Summarizing the data from need analysis and conclusion of performed analysis

- Discussions on integration issues;
- First project meeting – 13-14.01.2011, Rotterdam;
- The project website: <http://www.integra-project.eu>
- Development of 10 categories for useful phrases;
- Development of 10 simulation scenarios.

Next steps:

- The Interest Group Meeting – 17-20.04.2011, Lodz;
- Study of good practices;
- Simulation Scenarios;
- Discussion on the methodologies for training;
- Planning WP 3.
